

Personal Assessment Tools

Discover Church Planting

[Church Planting Village](#) is a website designed to assist those interested in church planting in discovering how God has designed them for ministry and to encourage them to utilize their gifts and talents to advance the Kingdom of God. Church Planting Village has a link to a [Quick Test](#), which would help someone discover if they have the attributes of a church planter.

There is also a link called "Find Your Place In Ministry" which connects to a comprehensive assessment from PLACE Ministries, which consists of a leadership attributes assessment, a personality assessment, a spiritual gifts assessment, an abilities assessment, a passions assessment, and a life experience assessment. [Email Charles](#) to request a partner code to take the assessment.

Another link on Church Planting Village takes you to the [Resource page](#), which includes Bible Studies and other resources to further guide potential church planters on their journey to discover God's will for their life.
