

Pastorless Multi-Staff Churches April 25 2008

These Southern Baptist churches have been reported as being without a pastor. While we verify information we still recommend further investigation. Smaller churches are not listed because they change more quickly and it is harder to get information from them. Updated lists are found on the web sites.

* 2006 report

Churchlists is published each month near the end of the month. **Any verified information is welcomed.** Call us (972-359-1933) or mail information (or send email to churchlist@sbcglobal.net) Visit our "printable" web site at www.churchlist.info for statistics and numerous resources or our "searchable" site at www.baptistlist.org Your cooperation and providing information is essential. **Please help each month.** Most state Baptist conventions provide a "resume" service" or "Leader Connection" from their web site to assist pastors churches and associations.

This has been non-profit ministry since 1986. More than 800 copies are sent by email each month and the web sites now receive more than 8000 "hits" per month. Cost for hard copies is \$9 a year.
