2008 Missions Day Camps

Registration Packet

June 26 at Lake Sallateeska

June 30 at Streator Camp

The following pages contain everything you need to begin registering your groups for 2008 Missions Team missions education camps for children. Read on and you will find the details you need to successfully and efficiently register your girls for a fantastic mission's experience.

- Always keep the original! (In case you need to make more copies later).
- The packet is purposely produced in black and white for you to make copies on your own for your children, parents, and leaders.
- Please make sure you send a camper information/health form for every girl you are registering for camp.
- Each church sending campers is required to provide adult chaperones. For every 1-5 campers, the church must enlist and send one chaperone. For 6-10 campers, the church must enlist and send two chaperones, etc. Chaperones must be at least 21 years old.
- Children who have completed 1st through 6th grades may attend a Children's Missions Day Camp.
- Register as soon as possible to insure a space at camp. All registrations will be handled by mail only. Registration will close on June 1 (unless the camps fill up prior to that time). If a minimum of 25 campers are not registered by June 1 the camp will be cancelled.
- If you have any questions please call (217) 391-3138; for emergencies while at camp call (618) 303-0926.
