

missions

Share the greatest story ever told

The Cooperative Program is the most effective missions funding system in history. Through it, Illinois Baptists give almost **\$6 million** each year for **missions, evangelism, church revitalization, and leadership development**, plus, **student ministry** through IBSA's two camp facilities and **college ministry** on 6 campuses, all in our home state.

Together with over 40,000 other CP giving churches, we provide **\$192 million** annually to support **6,500** missionaries sharing the gospel globally.

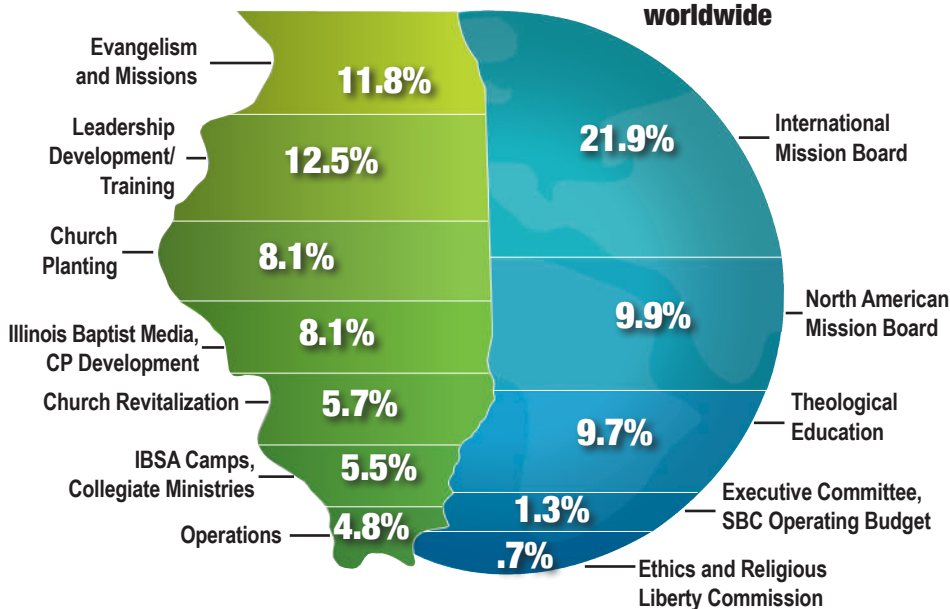

Your church's giving makes all the difference in the world.
