

Things to Know for Go Chicago

1. You will be working on a project everyday except the day you arrive and the day you leave
2. Some projects take longer than others. You may get back to the building faster some days than others. Use those times to clean up and bond with your students.
3. Projects can change. The schedule will be laid out 2 weeks before arrival. Sometimes groups finish a two day project in one day and schedules might need to be amended. There will be projects that are back up projects and you will be told before the next morning where you will be going.
4. All admin work such as (project assignment, handing out of Go Chicago Swag, Sign in, Dinner and Worship session, and sleeping arrangements are designated by IBSA Staff. If you need to ask questions feel free to call or text Kevin Jones (903-407-1752).
5. Travel to most projects will happen by public transit. You will have details on how to get there and what times you will need to leave. When doing this stay with your group.
6. On the free day, you can plan whatever you would like. Your transit card will be paid for in the trip. Anything extra you plan that day will need to be covered by your church group.
7. Always be aware of where you are at. We have vetted all projects. Please do not deviate from the project. If we do not have you walking in the neighborhoods, please do not walk in the neighborhoods on your own. Keep up with your students.
8. We are going to have evangelism training. We want you to be able to share the gospel. If you have a chance to allow a church member of the church you are working with share the gospel or you, please take the backseat so the church can develop the relationship and disciple. Otherwise I want you to go for it.
9. Your group is responsible to pack their own lunch and to get breakfast out. All this entails is getting sandwiches ready for lunch and for breakfast we will have everything there ready for you. At most getting breakfast ready will take 30 minutes. Your IBSA building lead will need to know if you are running out of items so that they will be able to go pick up more.
10. If you have any other questions pre trip that you would like to know please feel free to call or text Kevin Jones at (903) 407-1752.
