

# WHAT TO KNOW ABOUT PASTOR RETREATS

- Retreats are offered free to pastors and paid staff of cooperating IBSA churches and church plants.
- Retreats are usually for one night. Availability may be limited during peak seasons.
- Pastors are limited to one pastor/family retreat per year at each facility, unless special permission is offered by camp managers or IBSA.
- Meals are not provided, but each residence has a fully equipped kitchen. Local restaurants are convenient to both properties.
- Offering personal and family retreats to our pastors is important to IBSA. Feel free to share with camp managers or IBSA leadership suggestions to make this ministry more effective in the future.

Visit [IBSA.org/camps](http://IBSA.org/camps) for details on both facilities.

## Join us at Lake Sallateeska

Volunteer mission teams have worked alongside our staff to renovate the family cottage into a newly designed environment for pastors to use privately or to bring their families. Renovations include an updated living room, kitchen, and bedrooms.

Beautiful Lake Sallateeska offers fishing and boating, hiking, archery, and an indoor pool. Pastors are invited to come for uninterrupted time praying and planning for future ministry.

Camp Manager Brock Vandever and the staff look forward to your visit. To check availability, contact Brock at [BrockVandever@IBSA.org](mailto:BrockVandever@IBSA.org) or 618-318-9424.

*“I pray this place becomes a spiritual retreat for many pastors. While they are here, may their heart and mind will be filled with the presence and peace of God.”*

Pastor David Smith  
First Baptist Church, Grayville

Our newly remodeled apartment is specifically for pastor retreats, with a spacious living area, a full kitchen, new bathroom/shower, and bedroom. An adjacent bedroom has bunk beds for the pastor's family.

Streator Camp is a picturesque property with walking trails, fishing, and outdoor recreation. The camp is minutes away from two state parks.

Camp Manager Jacob Kimbrough is ready to host you. To check availability, contact Jacob at [JacobKimbrough@IBSA.org](mailto:JacobKimbrough@IBSA.org) or 815-992-5947.

*“Every time I have come home from a pastor's retreat, I have felt renewed and refreshed for ministry to my church and family, and in my own walk with the Lord. I look forward to those retreats every year.”*
