

How  
to

Develop

Young

Leaders

# 1. Invite them in to Relationship.

There  
needs to  
be a clear  
invite

This allows  
them into  
your life.

Allows  
you to  
speak into  
theirs

Be  
consistent  
in  
the  
relationship

Matthew 4:18-22  
Matthew 9: 9-13

# 2. Study the Bible with Them.

Build a plan

Teach them how to apply it

Let them ask questions

Talk about your life and how it applies

# 3. Learn From Them.

Makes  
it a  
two  
way  
relationship

Keeps you  
learning

It shows  
them  
they are  
valued

It  
teaches  
humility

Ask questions frequently, but not just about technology.

The more you ask questions, the quicker the relationship grows, the faster the relationship grows the more influence you have in their life.

Do not be afraid of taking their advice sometimes. (Again not just about technology)

# 4. Teach them to Replicate

You are  
teaching  
them to  
impact  
others

It shows them  
a discipleship  
model

You are forming  
their idea of  
Christianity

Keeps  
them  
on  
Mission

Matthew 28:18-20

through  
it

Accountability  
is key

Allow for  
mistakes

Be willing  
to create  
new  
things
